LUXURY TRAVEL BRAND SCOTT DUNN TO OFFER ITS UNIQUE TAILOR-MADE SERVICE TO TRAVELLERS IN THE UAE

Scott Dunn, the luxury travel brand which has been organising tailor-made worldwide holidays and honeymoons for nearly 30 years in the UK market, is to target travellers in the United Arab Emirates for the first time.

The award-winning tour operator has created a UAE-specific website and phone service to enable those based in Dubai and Abu Dhabi to easily enquire, get advice and book a bespoke holiday with Scott Dunn, taking advantage of its knowledge and breadth of service.

Scott Dunn's travel consultants each spend around one month a year visiting their specialist areas, seeking out the best properties and fine-tuning their local knowledge so they can tailor incredible holidays for guests.

An established expert in family and group travel, Scott Dunn also operates coveted luxury ski chalets in the Alps and villas in the Mediterranean, which come complete with private staff; and Scott Dunn Explorers children's clubs at luxury hotels in Europe and Thailand.

Residents in the UAE may wish to book a honeymoon in Africa, a family holiday in Cyprus, a once-in-a-lifetime adventure to Australia, or a ski trip to the French Alps – all of which are easily accessible with Emirates and other airlines flying direct from the UAE.

Andrew Dunn, founder and Chairman of Scott Dunn, commented: "We feel that now is the right time to bring the Scott Dunn quality of service and expertise to the UAE. In recent years, more and more guests living outside the UK have been requesting our renowned service and the UAE has emerged as a market with significant potential. We feel now is the right time to realise the clear opportunity and look forward to building a strong presence here."
