Qatar Airways celebrated its one year anniversary, in October 2014, of joining the oneworld global alliance. Qatar Airways was the first Gulf carrier to join this global airline alliance, enabling its passengers to benefit from almost 1,000 airports in more than 150 countries, with 14,250 daily departures. The award-winning oneworld alliance was named the World's Best Airline Alliance 2014 by Skytrax for the second year running.

At the Farnborough Air Show, the airline placed an order for 100 Boeing 777X aircraft, taking Qatar Airways' orders to more than 340 aircraft with a value of US \$70 billion.
